PROFILE

Website developer and WordPress expert with **7+ years** of experience building fast, SEO-ready websites that turn visitors into customers. I lead a small specialist team and have delivered **900+ websites for 300+ clients in 30+ countries**, from business websites and online stores to AI-powered builds. With a BBA in Accounting, I treat every website as a business investment that has to pay off.

EXPERIENCE

Website Developer & Team Lead — 2021 – Present

Kazi Talat · kazitalat.com · Dhaka, serving clients worldwide

- Lead a small specialist team delivering **900+ websites** for clients across the USA, UK, Canada, Europe and Australia.
- Own every project end to end: planning, design, WordPress development, SEO, speed optimization, launch and ongoing care.
- Build e-commerce websites with WooCommerce, including payments, shipping, product filters and checkout optimization.
- Deliver AI-powered websites: AI website design & UI/UX, AI-to-WordPress development and AI performance optimization.

Freelance Website Developer — 2020 – Present

Fiverr & Upwork

- Completed **700+ marketplace projects** with a **5.0★ average order rating**.
- Hand-vetted by Fiverr's Pro team and awarded **Fiverr Pro** status for website development (Feb 2026).
- Earned **Top Rated Seller** status on Fiverr (2026).
- Earned **Top Rated Seller** status on Upwork.

Educator & Content Creator — Present

Learn With Kazi Talat · YouTube & Facebook

- Teach WordPress and website development through free, practical video tutorials.

Self-taught Front-end Developer — 2017 – 2020

Where it started

- Taught myself HTML, CSS and JavaScript, then WordPress, building practice and early client projects.
